Join us for a unique opportunity to meet with admissions representatives from 25+ private schools across the region. Families will gain valuable insights to make informed decisions about their students' academic future.

Visit school booths in an open-house-style setting, speak with admissions reps and current students, and collect materials. Consecutive 30-minute sessions hosted by individual schools offer a deeper look into each school's programs, culture, and admissions process.

Whether you're just starting to explore options or narrowing down your list, this event is designed to help you take the next step with confidence.
