Live Streaming • Meet 24 Schools

FREE REGISTRATION AND DETAILS:

**[independentschools.org/elementary2023](https://independentschools.org/elementary2023)**

It is never too early to begin thinking about your child's educational journey: Independent Schools offer an unparalleled opportunity to excite children's creativity and curiosity and develop academic and life skills.

Participating schools will offer a series of 15-minute presentation sessions where you can meet admission professionals and representatives from several schools of your choice.
